

### Rafiki Bracelet Order Form

In Swahili, the word for friend is rafiki.

During the next week we will be taking orders for Rafiki bracelets to support our WeSchools charity donations. Each year our social justice club, the CREW, take part in various charitable activities with a local and global impact. Sales of Rafiki bracelets help to support our global goals. Please see full descriptions on reverse of order form.

There are six different Rafiki bracelets that you can order. They will make fantastic Christmas gifts. **Rafikis are \$10 each.** Please submit your order by Wednesday, November 29th, 2017. You will receive your order in a few weeks. Details below....

Opportunity ~ These Rafikis give financial literacy training to a woman in a developing community, empowering her to generate a sustainable source of income, build her savings or start her own business. These tools help women build a better future for their families and their communities.

Health ~ This Rafiki gives a person in a developing community access to health care. When people are healthy, they are free to thrive and grow to their fullest potential as leaders in their communities.

Education ~ This Rafiki gives school supplies to a child in a developing community, providing them with the knowledge and skills to create a better future. Through education, learners become leaders and gain the tools to lift themselves and their communities out of poverty.

Water ~ This Rafiki gives a person in a developing community access to clean water, helping them avoid waterborne illnesses. With access to clean water, people can thrive and lead their communities to a brighter future.

**Together, we can change the world!**
