Weekly Bulletin

April 6th - April 10th, 2020

Good morning MTB Families,

I hope that all of you are well and continue to stay positive during this challenging time. We're definitely experiencing a 'new normal' and together we can get through this.

This past week, I was involved in many virtual meetings to discuss the best way our teachers would be providing distancing learning to your children. Our staff has been working hard everyday to provide your child with the best education during this time. Please be patient as we navigate through this new world of virtual learning. This is new learning for all of us.

Please check your email (School Day) account frequently. Our teachers have created learning platforms for their students, and they have sent google classroom codes and passwords to access these platforms. If you have any questions, please contact me at mtboffice@smcdsb.on.ca.

This week we will be having different Spirit Week activities/events for the students to participate in. Take a picture of your child participating in the activities/events and tag it to @SMCDSB_MTB on Twitter or send your photo to mtboffice.on.ca and it will be posted. We got this MTB!!!!!!

Stay safe... Mrs. Newman
