

Hello Everyone,

We had our first two bus cancellation days last week. Please note that we will do our best to inform parents via eBlast and Twitter. You can also find the information on the bus consortium website at: <https://simcoecountyschoolbus.ca/>.

Due to limited space on the school answering machine, please use the SAFE ARRIVAL form located on the school website under QUICK LINKS to report your child(rens) absence.

When buses are cancelled and schools are open for student learning we ask that parents wishing to drive their child(ren) to school pick up their child(ren) no later than 3:10 p.m.. Please provide yourself extra time to account for additional traffic and/or poor road conditions. **The parking lot is closed between 3:10 p.m and 3:25 p.m.** Parking is available for parents picking up their child(ren) on the road and side streets. We all need to work together to ensure that the safety of our students come first.

Students are expected to be at school ready for learning at **8:50 a.m.** If your child(ren) arrives to school after the morning bell they are late and will need to go to the office to sign in. Please note that morning supervision begins at **8:35 a.m.** Students who arrive to school before this time will not be supervised.
