

Hello Everyone,

I hope all of you had a wonderful Family Day weekend. Such a great weekend to get outdoors and enjoy some winter activities, or stay indoors and enjoy each other's company. Whatever the activity, I hope that each of you enjoyed this special time together.

Our students have completed term two and report cards will be going home on Friday. This is a great time to talk to your child(ren) about their success and next steps for term three. It is hard to believe that we are already in term three. If you have any questions or concerns regarding your child(rens) report card, please do not hesitate in contacting their teacher. At St. Teresa of Calcutta School, we believe that a healthy home/school relationship is the key to our student's success.

Weekly Recap:

Our grade one students enjoyed their time with Scientist in the School. I was impressed with how well our young learners did completing each hands-on center. Thank you to our grade eight volunteers who spent the day being leaders and guiding our grade one's.

You may have heard your child(ren) talk about the amazing magic show by Brent and Sarah. All the students had an opportunity to watch Bent and Sarah perform some amazing magic tricks while sharing an important message of "always believing in yourself". Ask your child what their favourite part of the show was.

Your child(ren) received a carrier case of Laura Secord chocolate on Friday. Each case is valued at \$90.00. For each case sold, we will receive 43.5% of the sales; that's \$39.15/case profit to the school. If each family sold one case, that's a profit of \$9,396.00 for the school. Please send the monies for the case sold and a note, indicating if you would like more. Don't forget about the prizes - Fallsview Waterpark stay, movie nights and daily prizes for the leisure centre.

Just a reminder that hot lunch orders for April to June 2019 are available for purchase on School-Day until March 1, 2019.
